

Section 3 – External Auditor Report and Certificate 2020/21

In respect of

BUDLEIGH SALTERTON TOWN COUNCIL – DV0077

1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2021; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

2 External auditor report 2020/21

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

The AGAR was not accurately completed before submission for review. The AGAR had to be sent back for amendment.

The smaller authority has confirmed that it has not complied with the governance assertion in Section 1, Box 2, but it has provided the appointed auditor with an adequate explanation for non-compliance and details of the actions necessary to address weaknesses identified.

In the completion of the Annual Internal Audit Report, and their detailed report, the internal auditor has drawn attention to significant weaknesses in relation to the council's financial regulations. The smaller authority must ensure that action is taken to address these areas of weakness in a timely manner.

The authority has received £11,822 in respect of an insurance claim against expenditure during the year and has accounted for it as a receipt in Section 2, Box 3 rather than netting it against the relevant expense. Whilst the Practitioners' Guide is silent on the matter, it is our view that the true cost to the authority should be shown on a net basis. Accounting on a gross basis inflates the gross income and gross expenditure of the authority and can push the authority into a higher fee band than it would otherwise be in.

3 External auditor certificate 2020/21

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2021.
