

One of the strengths and attractions of Budleigh Salterton is its High Street and local businesses. In this time of crisis, many of the businesses have diversified and changed arrangements to ensure the people of Budleigh and the surrounding area can still get provisions and access to services. These businesses need the support of the town to survive.

Budleigh Salterton Town Council, in partnership with the Chamber of Commerce, has compiled a list of businesses that are continuing to trade and offer services.

This crisis will see many people in Budleigh and the villages struggle financially. Budleigh Community Support Fund and Exmouth Food Larder are there to help. Both organisations would also appreciate donations:

Exmouth Food Larder food donation points at the Co-op, Spar and Pynes Farm.

Due to lockdown, this list will be largely circulated electronically through the various networks in the town. Please feel free to pass the information on to others, or to contact the Council offices if you know of someone who would benefit from a printed copy.

If you are aware of any omissions/changes/errors to the information below, do please contact the Town Council Offices:
