### **25.418 Clerk's Report**

**Building Survey:** The building survey is currently underway and is expected to be completed in time for presentation at the forthcoming meeting of the Town Council.

**Roof:** Works to repair loose and missing roof tiles at the NC end of the building have been completed.

**Maintenance:** The Caretaker has completed approximately 75% of the works to recondition and secure the hall floor, alongside normal duties. Repainting of the hall is also in progress to address general wear and tear.

**Hall Use:** It was noted that a local rugby club had been using the hall recently due to waterlogged pitches. This offer had been promoted more widely via the Public Hall Facebook page and direct to local clubs to encourage similar bookings.

**Changing Rooms:** The matter referenced in Minute 25.259 remains outstanding. Bagwell's have re-assessed the space and a report is awaited.

**Fire Risk Assessment:** Members noted that fire-retardant treatment of the stage curtaining and quotations for additional fire doors are being considered.

**Terrorism (Protection of Premises) Act 2025 ("Martyn's Law"):** Members noted the new legislation, which will apply to premises where 200 or more people may be present. Although it received Royal Assent in April 2025, it is not yet in force. Further updates will be provided once statutory guidance is issued.

### **25.419 Public Hall Booking**

Members discussed ideas for increasing hall bookings and overall usage. It was acknowledged that current community use of the hall has declined compared to previous levels.

It was suggested that the Annual Parish Meeting could be used as an opportunity to highlight the reduced level of bookings and to invite suggestions from residents on how usage could be improved.

Reference was made to a comparable venue which generates significant income through hosting events. Feedback was also shared following a recent meeting between representatives and a venue manager, providing insight into successful event programming and income generation.

Members considered whether similar initiatives could be implemented, including themed entertainment evenings, in order to attract increased attendance and bookings.

**25.420 Public Hall Deposits**

**Discussion:** Members considered whether changes were required to the current booking deposit arrangement, whereby a 50% deposit is taken at the time of booking and is fully refundable up to six weeks prior to the event.

It was agreed that revisions to the existing policy are necessary. Various options were discussed, including making the initial 50% deposit non-refundable and requiring full payment six weeks in advance of the event. The option for full payment at the time of booking was also considered.

Members discussed whether the notice period for refunds should be extended. Consideration was also given to introducing different arrangements for longer-duration bookings and commercial events.

The potential for implementing a tiered system of deposits and payments was explored, along with a general requirement for advance payment.

**Decisions Made:**

- It was agreed that changes to the current deposit policy are required.
- A 50% deposit at the time of booking to be non-refundable.
- Full payment to be required six weeks prior to the event, with an option for full payment at the time of booking.
- This recommendation will be presented to the Full Town Council
