Good afternoon Jo.

Thank you for your encouraging email concerning the delivery of Talking Newspapers in Budleigh Salterton.

At the present time we produce and deliver 100 editions weekly across Exmouth and Budleigh Salterton. It is a pretty even split between both towns, 50 for Budleigh Salterton and 50 for Exmouth, and has been this level consistently for quit some time.

I hope this provides the answer you need and look forward to hearing from you.

Kind regards.

Gordon Betteridge.

Dear Mr Betteridge

At the meeting of the Town Council held on Monday evening, Members discussed your request for a donation.

Whilst they would like to support your charity, before they make their final decision, could you provide me with information on the number of Budleigh Salterton residents which you Charity currently helps?

I look forward to hearing from you at your earliest

Many thanks

On behalf of the carnival organising committee I would like to apply for a grant/funding towards this year's carnival.

The benefits to the town of holding a carnival are many. It is a community event that local families enjoy participating in and watching and it brings visitors and locals into the town to the benefit of the business community. Reviving this pretty unique spectacle has enhanced the character of the town. I attach a summary of our accounts. The councillors will see that it costs around £3500 to put on the event. Whilst volunteers raise funds by organising events and collections on the night we would ask that the council assist our efforts by allocating funds. Whilst any amount of funding would be gratefully received may I suggest an amount of between £500 and £1000 would bring security and continuity to our annual event.

With thanks  
Steve Hagger

Firstly, thank you for taking the time to read this letter!

I am writing to all Councils, Parishes, Towns and Wards in the UK to ask them to take part in this amazing project!

## Hedgehogs R Us Highway Project

With Hedgehog numbers in decline and Hedgehog awareness on the rise, there has never been a better time to get involved in Hedgehog conservation.

A Hedgehog Highway is a 5 inch gap in a fence and is essential in the battle to prevent the extinction of our endangered spiky friends. This gap allows them access to forage for food and meet mates. A Highway surround raises awareness to their plight and encourages others to take part.

I am asking for each area of the UK to use a small portion of their assigned funds to purchase a box of hedgehog highway surrounds and make them available for their residents.

Each box of 50 is £150 and includes:

- \* 50 Hedgehog Highway surrounds & 50 information leaflets
- \* A display box & window sticker showing you are part of the project.

Ideas of how to benefit your community include:

- \* Donate the Highways and leaflets to your local school to educate in wildlife conservation
- \* Swap the Highways for a donation of Hedgehog food which can then be given to your local Hedgehog Rescue Centre

The project will be receiving a lot of publicity in the coming months via Social Media and I really hope that you choose to take part.

My dream is to make the whole of the UK one giant Hedgehog Highway and for that dream to come true, it needs EVERYONE to take part.

Money is donated to Hedgehog Conservation for every box sold too!

If you would like to order or have any questions please do not hesitate to get in touch and thank you for caring.
